# **HOLY WEEK RETREAT:**

## **“RENEWING AND CELEBRATING OUR FAITH”**

**Fr. Felix Just, SJ**

In celebration of the 50th anniversary of the beginning of Vatican II, Pope Benedict XVI called for a Year of Faith, which began on October 11, 2012 and will continue until October 11, 2013. Many of us think of faith as what we believe, and our faith does indeed involve our doctrines and church teachings, but our faith goes well beyond doctrine. Faith determines how we live our lives, how we worship and the decisions we make. Being people of faith means being people who live every day of their lives with the awareness of their need for God, and in God’s providential care. Holy Week and the Easter Triduum is the very cornerstone of our faith, so what better time do we have to renew, deepen, and live our faith in a more committed way? The retreat will include presentations by Fr. Felix, time for quiet reflection, daily liturgy, opportunities to experience different prayer forms, and even optional yoga sessions. As in years past, we offer two ways of making the retreat : coming for the entire 8-day retreat including the Triduum, or coming for the Triduum alone, beginning on Holy Thursday. Come join us as we examine what it means to be people of faith in the new millennium.

**FEE: \$500 (single occupancy) | \$400 (commuter) | \$50 non-refundable deposit on or before March 10.**
